IN-CEILING OPEN ROUND

TRIAD R06

IN-CEILING OPEN ROUND

The Triad R06 in-ceiling speaker is engineered for high-quality, multi-room audio for builders, contractors, and homeowners who want an affordable, whole-home audio option without sacrificing sound quality. The R06 utilizes a polypropylene woofer and 3/4" aimable, cloth dome tweeter that offer long life, installation flexibility, and crystal-clear sound.

The R06 speakers ship with white, round, microframe grills that are low profile and look great. They utilize embedded magnets for fast installation and a snug fit. Custom paint-matched round or square grills are available separately and painted at the factory for a perfect finish that blends seamlessly with any interior design.

MATERIALS

- Polypropylene woofer
- 3/4" cloth dome tweeter
- High-quality crossover

FEATURES

- Open-back, two-way design
- Aimable 3/4" (19 mm) tweeter
- Round grill included
- Square grill sold separately
- Custom paint finishes for round or square grills available (standard grill finish is white)
